[H. R. 2099]

To provide for a posthumous cash award in recognition of the scientific contributions in the field of electronic ordnance made by the late Paul M. Tedder.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Treasury is authorized and directed to pay, out of any money in the Treasury not otherwise appropriated, to Mrs. Paul M. Tedder, Gainesville, Florida, the sum of \$15,000, in recognition of the scientific contributions of her husband, the late Paul M. Tedder, in the field of electronic ordnance while he was employed as a research engineer by the University of Florida. Such contributions were highly significant to the successful prosecution of World War II by the United States and, although he was not directly employed by the United States, the inventive and creative abilities of the late Paul M. Tedder were utilized by the United States for a thirteen-year period through contracts between the University of Florida and, successively, the National Defense Research Committee, the National Bureau of Standards, and the Diamond Ordnance Fuze Laboratories. During such period the late Paul M. Tedder conceived many ideas and inventions of major importance to the proximity fuze design art which have resulted in savings to the United States of many millions of dollars and for which he received no compensation other than his salary from the University of Florida: *Provided*, That no part of the amount appropriated in this Act shall be paid or delivered to or received by any agent or attorney on account of services rendered in connection with this claim, and the same shall be unlawful, any contract to the contrary notwithstanding. Any person violating the provisions of this Act shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not exceeding \$1,000.

Approved May 13, 1959.

Mrs. Paul M.
Tedder.
